

2020 Election Turnout Rates

The 2020 election had the highest turnout of voters in US history. Reaching over 140 million people. Below we explore some of that data.

Based on Data from December of 2020

Choropleth of the **amount of the votes for the presidential election**. Dark blue states had the most votes and coral states had the least. There is a light brown transitional color to aid distinction.

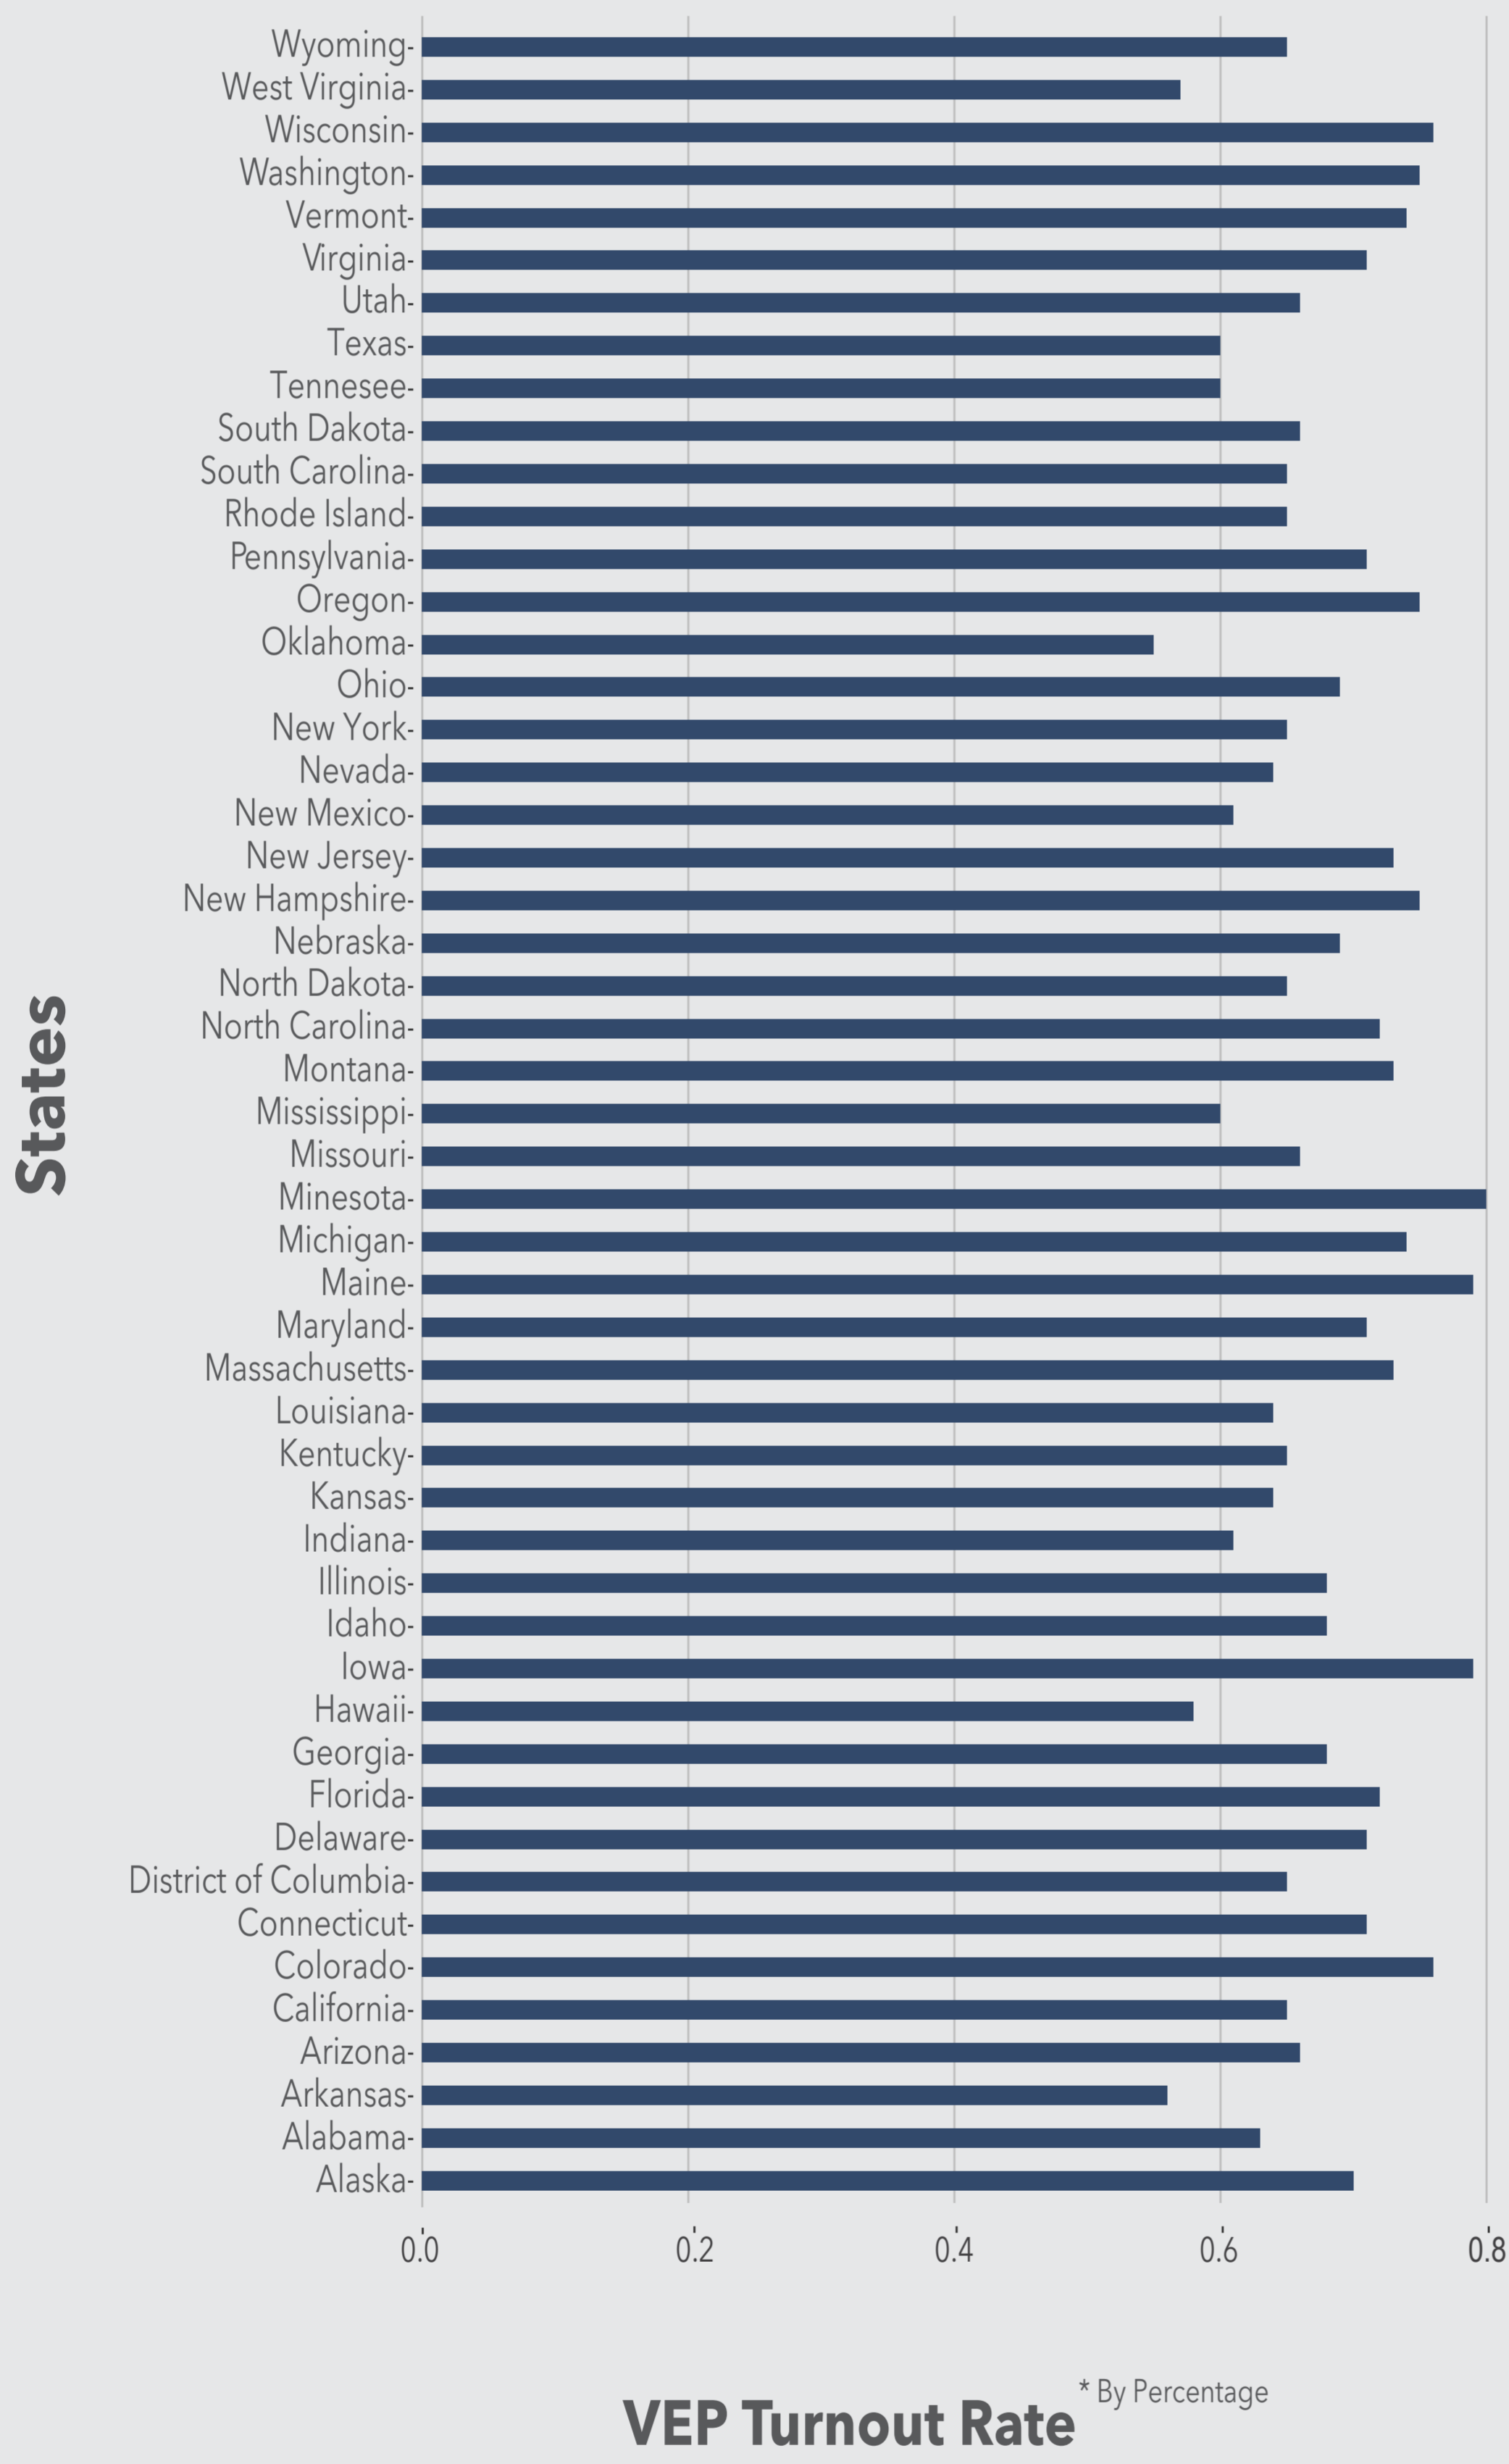

*Total votes counted: 158,371,944

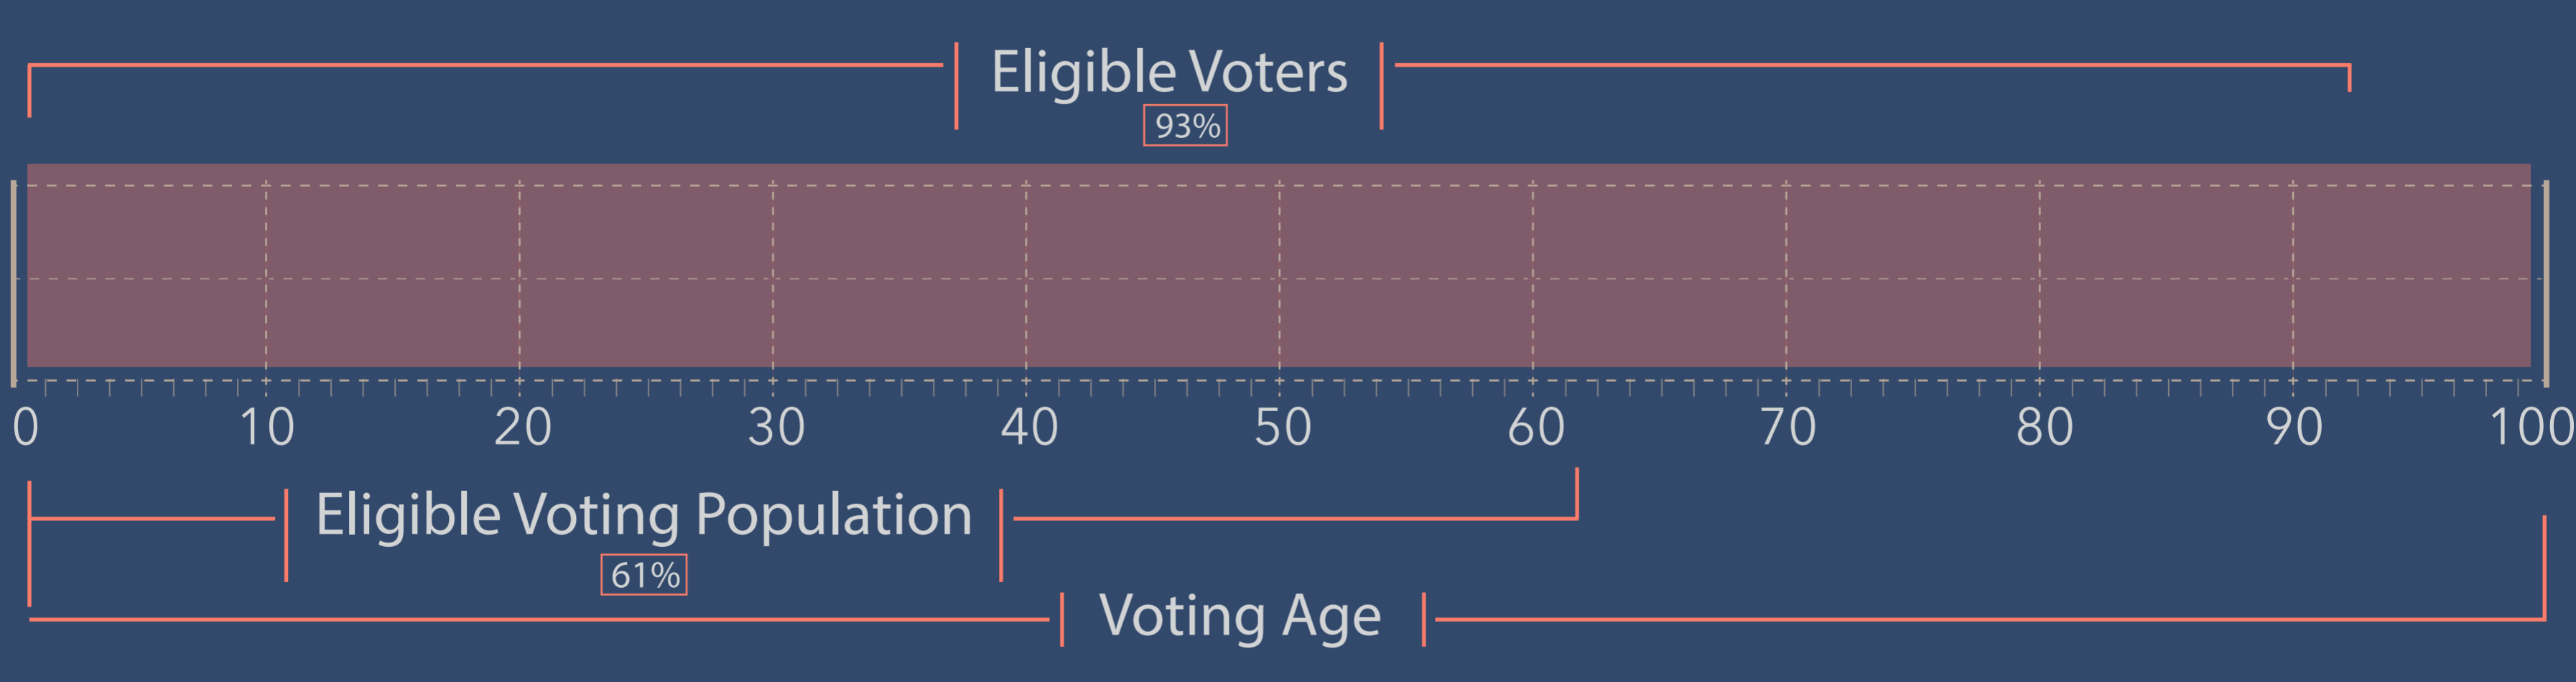

Prison Vote Turnout numbers by state. The list is in numerical order from small to big.

- 154,913 — Texas
- 104,730 — California
- 91,674 — Florida
- 50,930 — Georgia
- 49,892 — Ohio
- 44,148 — Pennsylvania
- 42,408 — New York
- 38,520 — Arizona
- 38,464 — Illinois
- 38,183 — Michigan
- 35,743 — Virginia
- 33,640 — North Carolina
- 32,267 — Louisiana
- 30,148 — Missouri
- 27,558 — Oklahoma
- 26,302 — Indiana
- 26,107 — Tennessee
- 25,898 — Alabama
- 23,574 — Wisconsin
- 23,280 — Kentucky
- 19,244 — Mississippi
- 18,905 — Colorado
- 18,777 — Washington
- 18,587 — South Carolina
- 18,165 — Maryland
- 18,099 — New Jersey
- 17,510 — Arkansas
